Total Regeneration Night Cream Regular

Ref. 5300/5300P

Short description	Light cream for the night containing anti-ageing ingredients
Format for Retail Size	50 ml frosted glass jar
Format for Professional Size	100 ml dispenser
Skin type	Normal, mixed and oily skin types
Product galenics	Light, soft pink in colour, cream texture

Product description

Total Regeneration Cream Regular is a light cream for use at night which helps restore the skin's original beauty and healthy appearance. Supports the regeneration of the skin overnight. Alpine Edelweiss extract strengthens the barrier function of the skin. The skin receives moisture and valuable lipids. Fine lines and wrinkles are smoothed visibly and contours are redefined.

Effect and characteristics

- Light texture for night time use
- Long-lasting moisturising of the skin (long-term effect lasting 72 hours)
- Strengthening of the barrier function of the skin
- Reduces the transepidermal water loss
- Anti-oxidative

inspira:cosmetics

- Forms a water-binding film on the surface of the skin
- Protects the skin from dryness
- Pads out lines and wrinkles
- Protects the skin from excess free radicals
- Inhibits the enzymes which participate in the skin ageing process
- Smooths and lifts the skin
- Reduces the depth and volume of wrinkles

Special ingredients:

- **PENTAVITIN®***: Skin identical carbohydrate complex for long-lasting moisturising of the skin. 72 hour, long-lasting effect thanks to the permanent junction to the keratinocytes of the Stratum corneum. This strengthens the barrier function which reduces transepidermal water loss.
- **Allantoin**: The calming and anti-inflammatory properties counteract redness.
- **Shea Butter**: Moisturises the skin and makes it soft and supple.
- **Vitamin E acetate**: Is converted within the skin to free Vitamin E and has an anti-oxidative effect.
- **Alpha bisabolol**: The calming and anti-inflammatory properties counteract redness.
- **Short-chain hyaluronic acid**: Short-chain hyaluronic acid is able to penetrate the upper layers of the Stratum corneum and bind water there. This results in a higher water content in the skin and transepidermal water loss is reduced. The skin is padded from the inside out.
- **Long-chain hyaluronic acid**: Long-chain hyaluronic acid is not able to penetrate the skin, but it does form a water-binding film on the surface and thus protects the skin from drying. Fine lines and wrinkles are smoothed (line filler effect).
- **Edelweiss extract**: The alpine Edelweiss extract has a high anti-oxidative capacity and acts as a very good radical interceptor and protects the skin from damages caused by an excess of free radicals. In addition, the extract also has a calming effect. Further, Edelweiss also inhibits enzymes (e.g. hyaluronidases and 5-lipoxygenases which contribute towards skin ageing.)
- **Matrixyl synthe´6®**: Highly effective peptid encourages the synthesis of 6 key components of the skin matrix of the dermoepidermal junction zone. The skin is smoothed and lifted. Unpopular crow's feet are counteracted considerably. The average wrinkle depth is reduced after two months by approximately 15%. The wrinkle volume is reduced by about 20%.

*PENTAVITIN® is a Trademark of DSM

Use in the cabin/at home

Every day, in the evening after cleansing, apply evenly to the face, neck and décolleté and gently massage in. Avoid the eye area.

Note/tip

For an even more effective result, use the Anti- Wrinkle/Anti- Dryness Serum under your night time care.

Ingredients

AQUA [WATER; GLYCERIN, BUTYLENE GLYCOL; CAPRYLIC/CAPRIC TRIGLYCERIDE; ISOSTEARYL ISOSTEARATE; PROPYLHEPTYL CAPRYLATE; CETEARYL ALCOHOL;GLYCERYL STEARATE CITRATE; POLYGLYCERYL-3 STEARATE; PENTYLENE GLYCOL; GLYCERYL STEARATE ; TOCOPHERYL ACETATE HYDROGENATED COCO-GLYCERIDES; HYDROGENATED POLYISOBUTENE;BUTYROSPERMUM PARKII (SHEA) BUTTER; LEONTOPODIUM ALPINUM FLOWER/LEAF EXTRACT; SODIUM HYALURONATE; ALLANTOIN; BISABOLOL, HYDROXYPROPYL CYCLODEXTRIN; PALMITOYL TRIPEPTIDE-38; HYDROGENATED VEGETABLE OIL; GLYCERYL CAPRYLATE; SACCHARIDE ISOMERATE; POLYISOBUTENE; SODIUM ACRYLATE/SODIUM ACRYLOYLDIMETHYL TAURATE COPOLYMER; CAPRYLYL/CAPRYL GLUCOSIDE; SORBITAN OLEATE; LECITHIN; SODIUM LEVULINATE; ASCORBYL PALMITATE; TOCOPHEROL; TETRASODIUM GLUTAMATE DIACETATE; CITRIC ACID; SODIUM CITRATE SODIUM HYDROXIDE; SODIUM ANISATE; PARFUM [FRAGRANCE]; PHENOXYETHANOL; SODIUM BENZOATE; POTASSIUM SORBATE; CI 16 035 [RED 40]
