### Pure Vital C Booster

Ref.	4343
Description	Vitamin C cure with high concentrated pure Vitamin C
Retail size	Tube with 7 pearls and pipette bottle with 5ml Activator liquid
Professional size	Tube with 7 pearls and pipette bottle with 5ml liquid
Skin type	All skin types
Product galenics	Pearls + Liquid = Serum

#### DESCRIPTION

PURE VITAL C BOOSTER is a skin refining, anti-oxidative active agent concentrate which is freshly prepared just before application. The vitamin C pearls are mixed with the activator solution and then distributed on the skin. In this way the highly concentrated vitamin C develops its full effectiveness.

Vitamin C has many positive properties on the skin. It has a skin-lightening effect, refines, supports the skin's own collagen production and protects against oxidative skin damage caused by environmental factors. Unfortunately, pure vitamin C is not very stable and is often used in cosmetics in the form of more stable, less effective derivatives.

With PURE VITAL C BOOSTER, the positive properties of pure vitamin C can be optimally used. Clinical studies show that after only three weeks of daily use, improved skin elasticity, a reduction in skin roughness, wrinkle reduction and a more even complexion can be achieved. The skin appears more even with a youthfully fresh radiance.

#### Purpose and function:

- More even complexion
- Smoothes fine lines and wrinkles
- Minimized pores
- Less age spots

#### Main active substances:

- **Vitamin C:** Vitamin C supports the skin in essential functions and contributes in various ways to a healthy, beautiful skin: It is an effective antioxidant that neutralizes free radicals and protects against skin aging. It also stimulates collagen formation and smoothes the skin with a reduction in wrinkles. It has a skin-lightening effect and reduces pigment spots.

#### APPLICATION

Start with a freshly washed face. Place one pearl in the palm of your hand. Dispense 3 full droppers of the Activator onto Pearl. Use Index finger to mix Vitamin C Pearl and Activator thoroughly together. Apply to face. Use once weekly or more often as desired. Use at nighttime only.
