PRODUCT DESCRIPTION

Wonder Glow Mask is an immediately soothing and skin smoothing mask with a cream basis which can be used for all skin types. It boosts proteasome activity thus removing cellular waste and improving radiance and glow by 200%, smooths the skin with hyaluronic acid, moisturizes sustainably with the long-term moisturizer Pentavitin® and lends a radiant complexion with a fascinating glow through the innovative, natural active ingredient Megassane®. This luxurious mask is your perfect companion and makes you look amazing on festive occasions.

EFFECT AND CHARACTERISTICS

- Leave-on Mask
- Improve radiance and glow
- Strong improvement of skin comfort after only 2 weeks
- Deep hydration for 72 hours
- Visibly smoother skin surface after 4 weeks
- Boosts proteasome activity

SPECIAL INGREDIENTS

Megassane® completely new High Tech active ingredient on algae basis, which improve the radiance and glow of the skin by 200%. Megassane® boosts the activity of the proteasomes (cell waste management) and thus the removal of abnormal proteins. Defective proteins (free radicals) will be removed from the cell and the skin can radiate again.

PENTAVITIN™*: Skin identical carbohydrate complex for long-lasting moisturising of the skin. 72 hours long-lasting effect thanks to the permanent junction to the keratinocytes of the Stratum Corneum. This strengthens the barrier function which reduces trans epidermal water loss.

Long-chain hyaluronic acid: Long-chain hyaluronic acid is not able to penetrate the skin, but it forms a water-binding film on the surface and thus protects the skin from drying out. Fine lines and wrinkles are padded out (line filler effect).

*PENTAVITIN™ is a Trademark of DSM

HOME

Apply once or twice a week at night onto the cleansed face, neck and décolleté and leave to work overnight. Avoid the eye area.

PFLEGE IN DER KABINE

Apply onto the cleansed face, neck and décolleté and leave on for about 15 minutes. Massage in the rest gently.
