DESCRIPTION

Ultra-mild **Shower Cream** gives your body a nice treat with almond oil and almond milk already when showering.

The skin is pleasantly refreshed and soft to touch.

Like a bath in the sea on a vibrant summer day in southern Italy.

SPECIAL INGREDIENTS

Almond Oil: makes the skin soft as silk. Almond oil penetrates well into the skin and enriches it with lipids. It also has a soothing effect, moisurizing and intensively nourishing.

Almond Milk: rich in unsaturated fatty acids, B vitamins and antioxidants such as vitamin E, which is a radical scavenger and an important vitamin for the skin and tissues. Ensures a clean skin and a firm connective tissue.

Vitamin E: antioxidant effect.

HOME CARE

Apply a hazelnut-sized amount of **Shower Cream** to damp skin and massage in circular motions. Then rinse under running water.

USE IN THE CABINE

Pamper your client´s feet with **Shower Cream** during the foot-bath. The same applies to the hand and body treatment.
